## **Jamee Campbell Reference**

To whom it may concern,

I am the founding director and trainer of Cairns Youth Circus Arts School Inc., otherwise known as CYCAS Circus. Our training centre is now in its thirteenth year and teaches numerous ground and aerial skills to youth and adults in Far North Queensland.

We employ circus artists nationally and internationally to assist with the growing number of students and shows we deliver. On several occasions we have had Jamee Campbell on board as a trainer and found her knowledge and skills of impeccable value.

I often travel overseas and need a trainer I can trust to deliver quality classes with a high degree of knowledge and experience. I know I can count on Jamee to do just that. Finding such trainers is not easy - graduates from NICA may not have the variety of skills needed to cover all my classes. Jamee is not only a highly talented performer, but well-rounded in her ability to train on numerous apparatus. Her endearing nature makes it very easy for my students to want to learn as much as they can from her. They are always eager to show me all she has taught them when I return.

While Jamee has not been available to help of late, I see the incredible work she has been doing on tour. I highly recommend her to any school who is in need of a skilled coach in the areas of hoops, acro, trapeze, lyra and silks. I am sure by now she has many more tricks on her list. As a performer I know she is dedicated, executes to perfection and always with a smile on her face. She is a shining star in the realms of Circus.

Sincerely,

Patti Burnheim  
Head Trainer & Vice-President
