To Whom It May Concern:

It is my pleasure to recommend Jamee Campbell into your organisation. Her position at Circa as a leading trainer was an incredible addition to our company.

I have known Jamee for the last two years and have been one of our core trainers for both our youth and adult classes. Her commitment and patience when teaching is beyond any other.

Jamee is reliable, talented and has a very special connection with kids. There is never a moment a participant doesn't have a smile on their face with Jamee in the room.

She is a gifted trainer that is always on time and has a broad range of skill that she can teach with confidence.

If you have any further questions please feel free to contact.

Kind Regards,
Bree Le Cornu
